

Holiday Fun Starts with Saint Francis Credit Union

Take a holiday from your loan payment

If you want a little extra cash this holiday season just skip making your loan payment(s) at the credit union. Members in good standing can skip **one month** of payment(s) for each loan they have with SFCU. Payments can be skipped only **ONE** of the following two months (November **or** December 2019) for a maintenance fee of **\$20** per loan. If you are currently making your loan payment through payroll deduction, this money will be deposited to your savings account for you to withdraw at your convenience. If your loan payment is made ACH from another institution please be sure to let us know so we can stop the ACH.

To skip one of your SFCU loan payments you must first submit the Skip-A-Pay form printed below and \$20 maintenance fee to the credit union.
